### Latest news

- [Out Now: Your Guide to Open Science in Horizon Europe](#). Open science is an approach aimed at making scientific research more transparent, accessible and collaborative. In the spirit of fostering collaborative research and innovation which are the core goals of Horizon Europe, the EU's key funding programme for research and innovation, open science now forms an integral part of the way in which projects funded through this framework programme are implemented.
- [ERDERA Partnership](#): a € 380M effort to transform rare disease research under Horizon Europe. The European Union, its Member States and countries associated to its research and innovation programme, Horizon Europe, have joined forces in a new European Partnership on Rare Diseases (ERDERA).

## SEEKING FOR PARTNERS

In this section you will find collaboration offers or requests posted by different research groups through the Crowdhelix platform. **Before contacting them, you first need to register your profile in Crowdhelix or reach out through the project managers of your institution.**

---

### Seeking partners for COST Action on Long Covid

**Topic:** Long Covid.

---

**Partner:** Germans Trias i Pujol Research Institute (IGTP).

---

**Seeking/Offering:** The IGTP, a leading public biomedical research center located in Spain, is coordinating a COST Action focused on Long Covid. They are seeking partners from Inclusiveness Target Countries (ITC) and young researchers interested in joining this initiative to advance Long Covid research and innovation.

---

### Seeking Collaborators for upcoming EU4Health Call on increasing health literacy for cancer prevention and care

**Topic:** Cancer.

---

**Partner:** Munster Technological University.

---

**Seeking/Offering:** Increase research on primary and preventive health services. Their research groups on health and cancer literacy have specific competence in qualitative methods for health research and patient experience in the cancer care pathway from diagnosis to treatment including AI diagnostics.

---

# RESEARCH PROJECTS

## INSPIRE Research Challenge

**Topic:** Cancer.

---

**Organized by:** World Cancer Research Fund (WCRF).

---

**Destination:** Supports innovative, bold and creative proposals with the potential to catalyse rapid and impactful advances in cancer prevention, treatment and survivorship.

---

**Budget:** Up to £ 75,000.

---

**Duration:** 12 months.

---

**Deadline:** 1st October 2024.

---

[More information](#)

---

## Research Grants

**Topic:** Mechanisms of behaviour and cognition in living beings.

---

**Organized by:** Fondation Fyssen.

---

**Destination:** Supports research projects in the fields of Neuroscience, Ethology, Psychology, Anthropology, Ethnology, Palaeontology and Archaeology.

---

**Budget:** Up to € 100,000.

---

**Duration:** 1 year.

---

---

**Deadline:** 14th October 2024.

---

---

## Clinical/Research Fellowship Award's

**Topic:** Inherited orphan retinal degenerations.

---

**Organized by:** Fighting Blindness Foundation.

---

**Destination:** Provides funding for post-residency clinical fellowships in an environment that fosters research to develop preventions, treatments, and cures for inherited orphan retinal degenerations.

---

**Budget:** \$ 65,000.

---

**Duration:** 1 year.

---

**Deadline:** 17th October 2024.

---

## Research Grants Program

**Topic:** Osteosarcoma Clinical Trials.

---

**Organized by:** Osteosarcoma Institute.

---

**Destination:** Funds both clinical trials and translation of scientific ideas that have the potential to result in a new treatment.

---

---

**Budget:** Up to € 1,5M.

---

**Duration:** 5 years.

---

**Deadline:** 31st October 2024.

---

## Awards for Independent Investigators

**Topic:** Parkinson.

---

**Organized by:** Parkinson's Foundation.

---

**Destination:** Parkinson's Foundation funds competitive awards for independent investigators.

---

**Budget:**

- Impact Awards: up to \$ 150,000.
  - Conference Awards: up to \$ 15,000/award.
- 

**Duration:** Impact Awards 12-18 months.

---

**Deadline:** 31st October 2024.

---

---

**CAREER OPPORTUNITIES** 

## Fellowships & Early Career Awards

**Topic: Mobility.**

---

**Organized by:** Parkinson's Foundation.

---

**Destination:** Parkinson's Foundation offers several types of grants to encourage young scientists, clinicians and students to devote their talents to the study of Parkinson's disease.

---

**Budget:** \$ 400,000.

---

**Duration:** two-stage program consisting of a Mentored Stage (1-2 years) and an Independent Stage (up to 2 years).

---

**Deadline:** 31st October 2024.

---

## International Fellowships for Research in Japan

**Topic: Mobility.**

---

**Organized by:** Japan Society for the Promotion of Science.

---

**Destination:** Provides fellowship programs for overseas researchers who have an excellent record of research achievements to conduct collaborative research, discussions, and opinion exchanges with researchers in Japan.

---

**Budget:** Postdoctoral Fellowships for Research in Japan

- Standard Program [P]: ¥ 362,000/month (approx. € 2,215).
-

- Short-Term Program [PE]: ¥ 362,000/month (approx. € 2,215) for PhD holders and ¥ 200,000/month (approx. € 1,220) for non-PhD holders at the time research starts in Japan.

---

**Duration:**

- Standard Program [P]: 12-24 months.
- Short-Term Program [PE]: 1-12 months.

---

**Deadline:**

- Call 2025 II - Invitational Fellowship (Short-term) [S]: 25th April 2025.
- Call 2025 II - Postdoctoral Fellowship (Standard) [S]: 25th April 2025.
- Call 2025 - Postdoctoral Fellowship (Short-term) [PE]: 27th September 2024.

**AWARDS** 

## Rosalind Franklin Young Investigator Award

**Topic:** Genetic.

---

**Organized by:** Genetics Society of America.

---

**Destination:** The awards honor women in the first one to three years of an independent faculty-level position whose work displays originality and scientific creativity, leading to new discoveries.

---

**Deadline:** 30th September 2024.

## EVENTS

### Grant Agreement Preparation in Horizon Europe

**Topic:** Grant Agreement.

---

**Organized by:** European Commission (EC).

---

**Date & place:** 16th October 2024, online.

---

[More information](#)

---

### Horizon Europe - Marie Skłodowska-Curie Actions (MSCA) Doctoral Networks 2023 - Coordinators' Information Day

**Topic:** Doctoral Networks.

---

**Organized by:** European Commission (EC).

---

**Destination:** The information event, which will take place on 12 November 2024, is intended for consortia funded under the MSCA Doctoral Networks 2023 call and aims to offer coordinators and beneficiaries insights into the fundamental management and procedural aspects of the project lifecycle. It also focuses on the main rules and procedures governing

---

Doctoral Networks (DNs), with a specific emphasis on the novelties introduced in Horizon Europe.

---

**Date & place:** 12th November 2024, online.

---
