Latest news

- **The ERA-NET TRANSCAN-3 has preannounced the launch of its 3rd call for proposals (JTC 2023) on the topic "Translational research on cancer epigenetics".** The call is planned to be launched on **May 9th 2023**. More information about this call, specific aims and eligibility [here](#).
- **[Don't miss the opportunity to get involved in the next Horizon Europe 2024 Health proposals.](#)** Next **June 2nd 2023** will take place the next Horizon Europe Brokerage Event on the *2024 Cluster 1 Health* calls for proposals **where you can get all information about the upcoming HE calls in the Cluster Health Work Programme as well as meet potential partners from Europe and beyond.**
- **Looking for ERC experts:** the European Research Council Executive Agency (ERCEA) supports the work of the European Research Council (ERC), the first pan-European funding body sustaining excellent frontier research in Europe. The ERCEA is establishing a Reserve List of qualified National Experts to second for the post of Research Programme Experts in the domain of Physical Sciences and Engineering, in one of the following profiles: Chemistry, Computer Science, Earth and Universe Sciences, Engineering, Material

Science, Mathematics or Physics. Deadline for Application: 24th May 2023. More information [here](#).

- **EIT Health has launched the Call for Experts and is seeking experts** with extensive experience in health innovation, entrepreneurship, business, health data, health technology, medical areas, legal matters and other areas. More information [here](#).

SEEKING FOR PARTNERS

In this section you will find collaboration offers or requests posted by different research groups through the Crowdhelix platform. **Before contacting them, you first need to [register your profile](#) in Crowdhelix or reach out through the project managers of your institution.**

RESEARCH PROJECTS

FEBS Excellence Awards

Topic: Molecular life sciences.

Organized by: FEDERATION OF EUROPEAN BIOCHEMICAL SOCIETIES (FEBS)

Destination: FEBS Excellence Awards are intended to support research projects in the molecular life sciences from early-career group leaders. FEBS Excellence Awards provide funding of €100,000 for research equipment and consumables over a 3-year period.

Budget: €100.000.

Duration: Three years.

Deadline: 1st July 2023.

[More information](#)

IARS MENTORED RESEARCH AWARDS 2023

Topic: Anesthesiology.

Organized by: INTERNATIONAL ANESTHESIA RESEARCH SOCIETY (IARS)

Destination: The IARS Mentored Research Awards (IMRA) are intended to support investigations that will further the understanding of clinical practice in anesthesiology and related sciences. Up to four research projects will be selected annually to receive up to \$175,000 each, payable over two years. The grants are intended to help create future leaders and prepare applicants to apply for independent research funding.

Budget: \$175,000.

Duration: Two years.

Deadline: 30th April 2023.

VICTORIA'S SECRET GLOBAL FUND FOR WOMEN'S CANCERS CAREER DEVELOPMENT AWARD 2023

Topic: Women's cancers.

Organized by: AMERICAN ASSOCIATION FOR CANCER RESEARCH (AACR)

Destination: The Victoria's Secret Global Fund for Women's Cancers was established to accelerate innovation in cancer research for women, by women. This groundbreaking initiative will fund innovative research aimed at progressing outcomes for women's cancers and invest in the next generation of women scientists who represent the diverse population they serve. By focusing on prevention, detection, diagnostic, and treatment innovations for women's cancers and advancing outcomes for cancer health disparities, Victoria's Secret aims to improve and save the lives of millions of women around the world.

Budget: \$206.000.

Duration: Two years.

Deadline: 7th June 2023.

MENTAL HEALTH AWARD 2023

Topic: Mental health.

Organized by: Wellcome Trust

Destination: This call aims to support validation of biological, psychological, social or digital markers to enable stratification in anxiety and/or depression as early as possible. Stratification will allow targeted treatment and ensure that the right people get the right treatment at the right time.

Budget: up to £5.000.000.

Duration: up to five years.

Deadline: 7th June 2023.

IMAGING RESEARCH IN ALZHEIMER'S AND OTHER NEURODEGENERATIVE DISEASES 2023

Topic: Alzheimer and related dementia.

Organized by: ALZHEIMER'S ASSOCIATION

Destination: The Alzheimer's Association's and The Foundation of the American Society of Neuroradiology are partnering to offer this unique funding program. The goal of this program is to support the development of new novel imaging tools, to advance imaging-based research and to provide funding for novel and innovative imaging data analysis as relates to Alzheimer's and related dementia.

Budget: \$200.000.

Duration: One year.

Deadline: 5th June 2023 (LOI).

CAREER OPPORTUNITIES

Marie Skłodowska-Curie Actions - Postdoctoral Fellowships 2023

Topic: Marie Skłodowska-Curie Actions (MSCA).

Organized by: European Commission.

Destination: Fellowships will be provided to excellent researchers, undertaking international mobility either to or between EU Member States or Horizon Europe

Associated Countries, as well as to non-associated Third Countries. Applications will be made jointly by the researcher and a beneficiary in the academic or non-academic sector.

Postdoctoral Fellowships either can take place in Europe (i.e. in an EU Member State or a Horizon Europe Associated Country) or in a Third Country not associated to Horizon Europe:

- **European Postdoctoral Fellowships** are open to researchers of any nationality who wish to engage in R&I projects by either coming to Europe from any country in the world or moving within Europe. The standard duration of these fellowships must be between 12 and 24 months.
- **Global Postdoctoral Fellowships** are open to European nationals or long-term residents^[1] who wish to engage in R&I projects with organisations outside EU Member States and Horizon Europe Associated Countries. These fellowships require an outgoing phase of minimum 12 and maximum 24 months in a non-associated Third Country, and a mandatory 12-month return phase to a host organisation based in an EU Member State or a Horizon Europe Associated Country.

Budget: -

Duration: between 12-24 months.

Deadline: 13th September 2023.

POSTGRADUATE TEACHING VISITS TO RESOURCE POOR COUNTRIES 2023

Topic: Paediatric infectious diseases

Organized by: European Society for Paediatric Infectious Diseases (ESPID)

Destination: The aim of this scheme is to provide encouragement and support to ESPID members wishing to devote time to PID teaching and training activities in resource poor countries.

Budget: €1000.

Duration: -

Deadline: 1st June 2023.

AWARDS

Michelson Prizes - Next Generation Grants

Topic: Human immunology.

Organized by: Michelson Medical Research Foundation.

Destination: The Next Generation Grants research grants given annually to support promising researchers who are applying disruptive concepts and inventive processes to advance human immunology, vaccine discovery, and immunotherapy research for major global diseases.

Budget: \$150.000.

Deadline: 11th June 2023.

[More information](#)

Outstanding Achievement Prizes

Topic: Brain and behavior disorders.

Organized by: BRAIN & BEHAVIOR RESEARCH FOUNDATION.

Destination: The Brain & Behavior Research Foundation is the largest philanthropic organization dedicated to research across all brain and behavior disorders (not disease specific). It recognizes outstanding research leadership and contributions to mental health research with a number of annual prizes:

- **Lieber Prize** for Outstanding Achievement in Schizophrenia Research
- **Goldman-Rakic Prize** for Outstanding Achievement in Cognitive Neuroscience
- **Colvin Prize** for Outstanding Achievement in Mood Disorders Research
- **Ruane Prize** for Outstanding Achievement in Child and Adolescent Psychiatric Research

Budget:

- **Lieber Prize:** \$50,000
- **Goldman-Rakic:** \$40,000
- **Colvin Prize:** \$50,000
- **Ruane Prize:** \$50,000

Deadline: 2nd May 2023.

Science & SciLifeLab Prize for Young Scientists

Topic: Life sciences.

Organized by: SCIENCE FOR LIFE LABORATORY.

Destination: The Prize is awarded annually to one young scientist for outstanding life science research for which he/she was awarded a doctoral degree in the previous two years.

Topics: Cell and Molecular Biology; Genomics, Proteomics and Systems Biology approaches; Ecology and Environment; Molecular Medicine.

Eligible entrants must have been awarded their doctoral degree in 2021 or 2022

Budget: \$30,000 for the grand prize winner, \$10,000 for each of the category winners.

Deadline: 15th July 2023.

[More information](#)

EXPANSION AWARD 2023

Topic: Heart - single ventricle.

Organized by: Additional Ventures Foundation.

Destination: The Expansion Award enables teams to add new single ventricle-focused approaches and directions to their current work by providing a one-time grant of \$50,000. This small but mighty grant is open to both new and established investigators within the single ventricle research community.

Expansion Award funds can be used to expand upon the scope, impact, or breadth of currently funded projects ("parent projects"), active through December 31, 2023, to achieve either of the following:

- A) Expansion of existing single ventricle studies through the use of additive technology, approaches, or tools
 - B) Addition of single ventricle-directed aims to ongoing studies.
-

Budget: \$50,000.

Deadline: 4th May 2023.

TRAINING

Lump Sum Funding in Horizon Europe: How does it work? How to write a proposal?

Topic: Lump Sum Funding in HE

Organized by: European Commission.

Destination: Attendees will receive key information about how Lump Sum Funding works in Horizon Europe, including practical experience with lump sum grants.

Date & place: 11 May 2023 at 10 CEST. Online.

[Registration](#)

Informative sessions - MSCA PF 2023

Topic: MSCA PF 2023

Organized by: FECyT and Fundació Madri+d

Destination: Informative sessions about the new MSCA Postdoctoral Fellowships 2023 call: general aspects, budget, practical aspects when preparing a proposal, etc.

Date & place: First sessions about general aspects on 25th April 2023 Online.
