### Latest news

- [Your guide to the Marie Skłodowska-Curie Actions: from applying to managing your project](#)
- [ERC Work Programme 2025](#). This document is the annual Work Programme for the European Research Council (ERC) funded by the European Union's Horizon Europe Framework Programme for Research and Innovation.

## SEEKING FOR PARTNERS

In this section you will find collaboration offers or requests posted by different research groups through the Crowdhelix platform. **Before contacting them, you first need to [register your profile](#) in Crowdhelix or reach out through the project managers of your institution.**

---

### Offering partnership for upcoming HORIZON-MISS-2024-CANCER-01-05 call

**Topic:** Cancer.

---

**Partner:** St. Anne's University Hospital Brno.

---

**Seeking/Offering:** We are currently exploring the possibility to join a consortium for the call: HORIZON-MISS-2024-CANCER-01-05: Improving the understanding and management of late-effects in adolescents and young adults (AYA).

---

### Seeking Consortia Partners for Marie Curie Doctoral Networks 2024; Women's Health Biosensors

**Topic:** Health.

---

**Partner:** Munster Technological University.

---

**Seeking/Offering:** Proposal Concept: Perimenopause, the menopausal transition, is one of the most important and natural biological phases in a woman's life and is associated with reproductive and

hormonal changes in combination with vasomotor symptoms and can place women at increased risk of developing longer term health conditions such as osteoporosis.

---

## RESEARCH PROJECTS

### Next Steps Program

**Topic:** Melanoma.

---

**Organized by:** Melanoma Research Alliance.

---

**Destination:** Funds research projects to help advance translation of discoveries into the clinic in the field of melanoma disease.

---

**Budget:** Up to \$ 250,000.

---

**Duration:** 1-2 years.

---

**Deadline:** 31st July 2024.

---

[More information](#)

---

### In Vivo Target Validation

**Topic:** ALS.

---

**Organized by:** Target ALS Foundation.

---

**Destination:** Provides support for in vivo proof-of-concept for promising therapeutics in mouse models of ALS.

---

**Duration:** Applicants must have test article in-hand for November 2024 shipment to JAX. Target ALS will cover costs of approved projects to be conducted at the Jackson Laboratory (JAX). In-kind grant, no funding will be provided directly to the investigator.

---

**Deadline:** 19th August 2024.

---

---

## APOE Biology in Alzheimer's

**Topic:** Alzheimer.

---

**Organized by:** Alzheimer's Association.

---

**Destination:** Funds projects that aim to address some of the key challenges in Alzheimer's research today as related to APOE contributions and biology.

---

**Deadline:** 19th August 2024.

---

[More information](#)

---

## Starting Grants (StG)

**Topic:** Research.

---

**Organized by:** ERC.

---

**Destination:** Provides support for excellent Principal Investigators at the career stage at which they are starting their own independent research team or programme.

---

**Budget:** Up to a maximum of € 1,5M.

---

**Duration:** Period of 5 years.

---

**Deadline:** 15th October 2024 - 17:00 Brussels time.

---

[More information](#)

## Early Career Awards

**Topic:** Child health.

---

**Organized by:** Thrasher Research Fund.

---

**Destination:** Funds projects made by new researchers to find solutions to children's health problems.

---

**Deadline:** 5th September 2024.

---

[More information](#)

---

**CAREER OPPORTUNITIES** 

## Research grants & Fellowships

**Topic:** Mobility.

**Organized by:** Hereditary Disease Foundation.

**Destination:** Funds innovative research to cure Huntington's disease and impact other brain disorders.

**Budget:** \$ 100.000/year.

**Duration:** Up to 2 years for Postdoctoral Research Fellowships. Up to 1 year for Research Grants (open to renewal for an additional year).

**Deadline:** 3rd September 2024.

[More information](#)

## Exchange Fellowships Programme

**Topic:** Mobility.

**Organized by:** FENS/IBRO-PERC.

**Destination:** Supports early career researchers and intra-European mobility, with a set goal of advancing neuroscience research and training (for members only).

**Budget:** Maximum Grant Amount: € 4,000.

**Duration:** minimum 4 weeks.

**Deadline:** 15th October 2024.

[More information](#)

---

## Research Training Fellowship Programme

**Topic:** Mobility.

---

**Organized by:** ECTRIMS.

---

**Destination:** Offers training for young neuroscientists to facilitate their conduct of and training in basic, clinical or applied research related to multiple sclerosis.

---

**Budget:** Annual stipend of € 55,000.

---

**Duration:** 1 – 2 years.

---

**Deadline:** 1st December 2024.

---

[More information](#)

**AWARDS** 

## Distinguished Women in Chemistry/Chemical Engineering awards

**Topic:** Women Chemistry.

---

**Organized by:** IUPAC.

---

**Destination:** Awardees are selected based on excellence in basic or applied research, distinguished accomplishments in teaching or education, or demonstrated leadership or managerial excellence in the chemical sciences. The Awards Committee is particularly interested in nominees with a history of leadership and/or community service during their careers.

---

**Deadline:** 1st November 2024.

---

## EVENTS

### Welcome to Barcelona Health Innovation Week 2025!

**Topic:** Health and Innovation.

---

**Organized by:** Biocat.

---

**Destination:** Join us in Barcelona for a dynamic week dedicated to innovation, acceleration, technology, and transformation in healthcare. From February 17-21, 2025, we will celebrate the vibrant and dynamic life sciences and healthcare ecosystem that makes Barcelona a global hub of health innovation.

---

**Date & place:** 17-21th February 2025 Barcelona.

---

---

## Breaking Barriers for Gender and Health Equity Through Research

**Topic:** Gender and Health Equity.

---

**Organized by:** Nature Conferences.

---

**Destination:** This global virtual conference comprising a combination of keynote talks, fireside chats and panel discussions, will explore some of the key challenges at the intersection of the United Nations' Sustainable Development Goal 10 "Reduce inequalities", Goal 5 "Gender equality", and Goal 3 "Good Health and Well-being". A key aspect of this conference will be breaking barriers and making connections across genders, between early and late careers, and between researchers, policymakers and health practitioners. In the theme of "Breaking Barriers", the conference will also feature a mentorship programme that will provide further opportunity for participants to connect and build relationships.

---

**Date & place:** 25th June 2024.

---

---

## TRAINING

## Innovative palliative care for people with cancer

**Topic:** European Missions.

---

**Organized by:** European Commission.

---

**Destination:** What Does Palliative Care Mean For People With Cancer? Palliative Care Determinants, Inequalities And Policies.

---

**Date & place:** 8th October 2024 Brussels and Online Modality.

---

Registration

---

## Digital Health Transformation in Health Institutions

**Topic:** Cancer.

---

**Organized by:** EIT Health.

---

**Destination:** This course offers participants a comprehensive introduction to essential strategies and tools in the world of digital health transformation. Learners will gain the necessary knowledge to start leading strategies in the digital environment for health institutions.

---

**Date & place:** 13th September 2024 Online Modality.

---
