Latest news

- [Interreg Europe: welcoming the new countries.](#) We want to introduce you to these EU candidate countries so that you can discover the opportunities our programme is offering for cooperation with their

policymakers.

During this 90-minute online event you will:

- Learn about the seven new countries in the programme
- Find out how you can work together with institutions from these EU candidate countries in interregional cooperation projects and/or through the Policy Learning Platform
- Discover the networking tools our programme offers
- [EU Research & Innovation Days 2024 programme published.](#)

SEEKING FOR PARTNERS

In this section you will find collaboration offers or requests posted by different research groups through the Crowdhelix platform. **Before contacting them, you first need to [register your profile](#) in Crowdhelix or reach out through the project managers of your institution.**

Seeking partners/consortium to join the upcoming HORIZON-JU-IHI-2024-06-01-two-stage-call

Topic: Health

Partner: HEKA VR

Seeking/Offering: We have developed and globally tested a VR-based Avatar Therapy device, notably in the largest RCT for treatment-resistant schizophrenia. This experience positions us to contribute valuable insights into patient engagement and adherence. Our device, focusing on the needs of healthcare professionals and patients, ensures practicality

and efficacy. Being CE marked Class I under the MDR framework, our solution meets high regulatory standards, an essential aspect in collaborative healthcare projects.

Deadline: 16th April 2024

Seeking international collaborators for "Interreg NEXT MED Programme"

Topic: Health

Partner: Consiglio Nazionale delle Ricerche | National Research Council of Italy

Seeking/Offering: A group of experts in active food ingredients, health benefit evaluation, active food packaging, and food waste valorization is seeking consortium partners interested in the Interreg NEXT MED.

Deadline: 28th March 2024

RESEARCH PROJECTS

Research Grants (AARG)

Topic: Alzheimer

Organized by: Alzheimer's Association

Destination: The Alzheimer's Association leads the way to end Alzheimer's and all other dementia by accelerating global research, driving risk reduction and early detection, and maximizing quality care and support.

Budget: \$140,000 (For a 2-year award)

Duration: minimum 2 years

Deadline: 28th February 2024

[More information](#)

Translational Therapeutic Accelerator

Topic: Health

Organized by: Critical Path Institute's (C-Path)

Destination: Supports academic scientists in defining optimal strategies for advancing new, cutting-edge therapeutics from the lab to patients.

Deadline: 13th March 2024

[More information](#)

Research Grants

Topic: Endocrinology

Organized by: Neuroendocrine Tumor Research Foundation

Destination: Funds innovative and transformative research proposals in neuroendocrine cancer research grants to help bring the field closer to more effective therapies.

Budget: from \$90,000 to \$270,000

Deadline: 18th March 2024

[More information](#)

Young Investigator Awards

Topic: Prostate Cancer

Organized by: Prostate Cancer Foundation

Destination: Funds research addressing unmet medical needs in the diagnosis and treatment of potentially lethal prostate cancer.

Deadline: 15th April 2024

[More information](#)

Cancer Research Award

Topic: Innovation

Organized by: Dr. Josef Steiner Cancer Foundation

Destination: The award is intended to support an outstanding project by an innovative investigator early in his/her career for four years.

Budget: CHF 50,000

Duration: four years

Deadline: 14th April 2024 (preregistration required before this deadline, see guidelines for further information)

[More information](#)

Innovative Health Initiative Joint Undertaking

Topic: Health

Organized by: Innovative Health Initiative

Destination: Supports organisations involved in health research and healthcare to form consortia and apply to be part of cross-sector partnerships that bring together a range of stakeholders to tackle some of the biggest challenges in health research today. The [IHI call 6](#) and the [IHI call 7](#) have been published.

Deadline: 16th April 2024 (IHI call 6) & 22nd May 2024 (IHI call 7)

[More information](#)

Advanced Research Grants in ALS

Topic: Amyotrophic Lateral Sclerosis

Organized by: Radala Foundation

Destination: Provides research grants for the study of the understanding of the basic causes of Amyotrophic Lateral Sclerosis.

Budget: One or two grants of 200,000 Swiss francs will be given each year.

Duration: two years

Deadline: 30th June 2024

[More information](#)

CAREER OPPORTUNITIES

Ocular Melanoma Foundation Joanne Barlia Research Fellowship

Topic: Ocular/uveal melanoma

Organized by: American Association Cancer Research

Destination: Supports a postdoctoral or clinical research fellow to conduct ocular/uveal melanoma research and to establish a successful career path in ophthalmology, ocular oncology, uveal melanoma biology, or a similar field (members only).

Budget: \$130,000 USD

Duration: 2 Years

Deadline: 21st March 2024

[More information](#)

Post-doctoral study grants

Topic: Nervous System

Organized by: Foundation Fyssen

Destination: Offers young oncologists the opportunity to gain insight into clinical research at a leading European centre of excellence. Only for ESMO members.

Budget: 45.000€

Duration: from 12 months, not renewable, or 24 months subject to the approval of the Scientific committee after examination of a report at the end of first year.

Deadline: 29th March 2024

[More information](#)

Fellowships and Grants

Topic: Inflammatory Bowel Disease

Organized by: European Crohn's and Colitis Organisation

Destination: ECCO Fellowships, Grants and Travel Awards are available to encourage young physicians in their career and to promote innovative scientific research in IBD in Europe (membership required).

Budget: 300,000€

Duration: 2 years

Deadline: 2nd May 2024

[More information](#)

AWARDS

EASD Prizes 2024

Topic: Diabetes

Organized by: European Association for the Study of Diabetes

Destination: EASD awards 6 prestigious major prizes each year at the Annual Meeting to recognise excellence in science. Do not miss the opportunity to give a valued colleague the recognition they deserve for contributions to diabetes research.

Budget: €1,000,000

Deadline: 15th March 2024

[More information](#)

Application Now Open: WIPO Global Awards 2024

Topic: Innovation

Organized by: European Commission

Destination: This initiative encourages small businesses and startups that leverage intellectual property (IP) for business growth and positive societal impact to apply.

Budget: USD 100,000

Deadline: 31st March 2024

[More information](#)

EVENTS

COST Info Day 2024

Topic: COST Actions

Organized by: European Cooperation in Science & Technology

Destination: This online info session is open to all researchers and innovators at any career stage and from any field of research, especially young researchers. The aim is to inform the research community on how to participate in COST Actions or submit a COST Action proposal, the role and impact of the COST programme, and the benefits of the COST offer.

Date and place: 27 March 2024, 10:00-11:30 CET Online

[More information](#)

TRAINING

Developing Biological Markers to Improve Clinical Care in Autism

Topic: Autism

Organized by: Brain & Behavior Research Foundation

Destination: There is a critical need for objective biological measures to inform clinical practice and research in autism. Dr. McPartland will review the state of the science and present work from the Autism Biomarkers Consortium for Clinical Trials to advance biomarkers through FDA qualification. He will present emerging strategies to apply them in individuals with profound autism and to translate them into treatment.

Date and place: 13th February 2024 Online

[Registration](#)

EIT Health Bootcamps 2024 Webinar

Topic: Health

Organized by: EIT Health

Destination: Join our webinar to: Learn more about the Bootcamps, Hear the experience from past participants. Get in touch with the programme managers and get your questions answered by them.

Date and place: 15th February 2024 12 p.m or 24th April 2024 12 p. m
